

## Boone Hall Farms CSA Agreement

Members of the Boone Hall Farms CSA receive a weekly share of produce that will vary in size and weight depending on the time of the growing season. Seasons normally run 12 weeks unless otherwise noted. Start and end dates might be adjusted somewhat depending on weather or other factors during the growing season. CSA members agree to support their farmer by sharing in the inherent risks of agriculture (poor weather, hurricanes, tornadoes, drought, hail, crop failure, etc.) and the rewards (fresh, local fruits and vegetables, the bounty of a good season). CSA farmers carefully plan for contingencies by using growing techniques that protect the harvest, minimize the risks, and optimize the rewards. On the whole, members will get a wide variety of produce in plentiful amounts.

I understand this principle and agree that there is no guarantee on the exact amount or type of produce I will receive in my share. By participating in the CSA, I am supporting the local farmer as well as more equitable food distribution, and I am helping to create a more environmentally and economically healthy society.

By becoming a member, I commit to picking up my share weekly at Boone Hall Farms Market on an assigned pickup day and I understand that if I, or someone I designate, is unable to pick up my share, the produce CANNOT be saved or picked-up at a later date. All produce that is not picked-up on the designated day is donated to a local, charitable organization.

You are welcome to split a share with someone. However, share-splitting is the responsibility of the member; we do not manage the splitting of shares. This includes payment. The person signing this agreement is responsible for payment in full at the time of sign up. Names of all persons authorized to pick up produce on the shareholder's behalf must be submitted to Boone Hall Farms Market in writing prior to pick up.

Half shares and full shares are available. Full shares should have enough food for 4-6 people. Half shares should accommodate 2-4 people. A \$25 refundable deposit for CSA produce boxes is also required for all shares and is added to the cost of each share when purchased. Refunds for this deposit will be sent to each shareholder after each CSA season ends when produce boxes are returned to Boone Hall Farms Market in proper condition.

**As mentioned previously, when you participate in this program, you are assuming the same risks and rewards as the farmer. In case of previously mentioned catastrophic events, your investment is final. There will be no refunds or exceptions. However, we are offering crop insurance that allow full refunds should such catastrophic events as mentioned above occur and shareholder orders cannot be fulfilled in accordance to what Boone Hall Farms deems appropriate to meet shareholder obligations. The cost for this coverage is \$30 on a full share and \$20 on a half share. If you wish to have this coverage, there is an "add on" option when purchasing shares online. If you are signing up by mail or dropping off your signed agreement to the Boone Hall Farms Market office, you will need to include payment for this coverage at that time.**

We are available to answer all of your questions by phone or through email to ensure that you are comfortable with your decision to become a CSA member. For more information, please contact Boone Hall Farms Market at 843-856-8154 or email us at [csa@boonehallfarms.com](mailto:csa@boonehallfarms.com). I agree to the above conditions.
